Management and Board Members  
City of Miami Omni Community  
Redevelopment Agency  
Miami, Florida

Dear Management and Board Members:

We are pleased to present the results of our audit of the basic financial statements of the City of Miami Omni Community Redevelopment Agency (the “Agency”) for the year ended September 30, 2022.

This report summarizes our audits, the scope of our engagement, and key observations and findings from our audit procedures for the year ended September 30, 2022. This report also contains the communications required by our professional standards and by *Government Auditing Standards*.

The audit was designed to express an opinion on the Agency’s 2022 basic financial statements. In accordance with professional standards, we obtained a sufficient understanding of internal control to plan the audits and to determine the nature, timing, and extent of tests to be performed. However, we were not engaged to and we did not perform an audit of internal control over financial reporting.

This report is intended solely for the information and use of those charged with governance, and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate this opportunity to meet with you to discuss the contents of this report, and to answer any questions that you may have about this report or any other audit-related matters. If you have any questions, please contact Richie C. Tandoc, Partner in charge of the audit, at (305) 269-8633, ext. 8016.

Very truly yours,

*Sanson Kline Jacomino & Tandoc, LLP*

2022 Audit Results and Required Communications**

Generally Accepted Auditing Standards and *Government Auditing Standards* require the auditor to communicate certain matters to those charged with governance that may assist in overseeing management’s financial reporting and disclosure process. Below is a summary of these required communications, and our response to each, as they apply to the Agency as of and for the fiscal year ended September 30, 2022.

Required Communication	Response
<p><b>Auditors’ Responsibilities Under Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAS)</b></p> <p>Our responsibility is to express an opinion on the Agency’s financial statements based on our audit conducted in accordance with auditing standards generally accepted in the United States and <i>Government Auditing Standards</i>. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.</p> <p>In addition, we are required to report on the Agency’s internal control over financial reporting and on compliance and other matters. However, providing assurance on the internal control or compliance with certain provisions of laws, regulations, contracts, and agreements was not an objective of our audit, and accordingly, we do not express such an opinion.</p>	<p>We have issued an unmodified opinion (i.e. clean opinion) on the Agency’s basic financial statements for the year ended September 30, 2022.</p> <p>We have also issued our report on the Agency’s internal control over financial reporting and on compliance and other matters for the year ended September 30, 2022.</p> <p>Both reports are dated January 19, 2023.</p>
<p><b>Significant Accounting Policies</b></p> <p>Initial selection of and changes in significant accounting policies or their application and new accounting and reporting standards during the year must be reported.</p> <p>In addition, we must discuss our judgments about the quality, not just the acceptability, of the accounting policies as applied in the Agency’s financial reporting.</p>	<p>The Agency’s significant accounting policies are described in Note 1 to the financial statements.</p> <p>Accounting principles selected by management are consistent with those prescribed by government accounting standards, and the Agency’s financial statements and related disclosures are clearly presented in a complete manner.</p>
<p><b>Accounting Estimates</b></p> <p>The preparation of the financial statements requires the use of accounting estimates. We are required to inform those charged with governance of such accounting estimates and about our conclusions regarding the reasonableness of those estimates.</p>	<p>For fiscal year ended September 30, 2022, management’s judgment was called upon to establish the useful lives of capital assets. We have determined that such estimates are reasonable.</p>
<p><b>Methods of Accounting for Significant Unusual Transactions and for Controversial or Emerging Areas</b></p> <p>We are required to inform those charged with governance about the methods used to account for significant unusual transactions and the effects of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</p>	<p>We did not identify any significant unusual transactions by the Agency or any significant accounting policies used by the Agency related to controversial or emerging areas for which there is a lack of authoritative guidance.</p>
<p><b>Significant and/or Unadjusted Audit Adjustments</b></p> <p>We are required to inform those charged with governance about auditor adjustments arising from the audit (whether recorded or not) that could, in our judgment, have a significant effect, individually or in the aggregate, on the Agency’s financial statements.</p>	<p>We had no significant audit adjustments during the current year’s audit. All adjustments made during the audit were proposed by the Finance Officer, and approved by us.</p>
