Pursuant to Section 163.380(3)(a), Florida Statutes, prior to disposition of any real property in a community redevelopment area, the Omni CRA shall give public notice of such proposed disposition by publication in a newspaper having a general circulation in the community, at least thirty (30) days prior to the execution of any contract to sell, lease, or otherwise transfer of real

property thereto. The advertisement must invite proposals from, and make all pertinent information available to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate the community redevelopment area or any part thereof. Such notice shall identify the properties and shall state that proposals must be made by those interested within thirty (30) days after the date of publication of the notice, and that such further information as is available may be obtained at the location designated in the notice. The Omni CRA may negotiate with any persons for proposals for the conveyance or lease of any real property acquired by it in the community redevelopment area. The Omni CRA may accept such proposals as it deems to be in the public interest and in furtherance of Chapter 163, Part III, Florida Statutes.

Further, Section 163.380(2), Florida Statutes, requires that such real property or interest shall be conveyed at a value determined to be in the public interest for uses in accordance with the Community Redevelopment Plan and in accordance with such reasonable disposal procedures as the local government or the community redevelopment agency may prescribe.

Proposals should demonstrate a thoughtful use of the space, which could range from commercial, office, or mixed-use developments, all aimed at enhancing the vibrancy of the neighborhood.

4. The restrictions upon the property, and any covenants, conditions, and obligations assumed by the purchaser of the property. The sale of this property shall benefit the Omni Community Redevelopment Area; and
